

A.G.E.S Gallery

Shutterbugs Top Photos

The photo exhibition of Eastend Historical Museum Shutterbugs photo contest was held last year, and the voting for the best photos was done at Jacks Cafe. The winning photos will be on display at the Eastend Library. Please watch for more info on when the photos will be at the Library.

Call To Artists - Student Art Show

This is a call to all art students of Trea Jensen. Young or Young at heart. If you've taken a class from Trea at The Library, Art Markings Studio, Eighth Ave Studio or at a Paint, and Create Night at Jacks Cafe, you are invited to show your work at the A.G.E.S Gallery during May, June, and July! Art works will be collected during May, curate and then the exhibit will have its opening reception in June! Works are required to be framed. If you are needing framing ideas Trea might just be able to help! Please let her know!

Call to Guild Members Wed May 23rd Eastend Library

Are you interested in being part of the Guild? We will be having a gathering of artists of all genres. A.G.E.S has featured musicians, visual artists, artisans of crafting: food, body care, some poets and story tellers. Workshops, artist talks and art festivals. Artisans Guild of Eastend's mission is to bring the collective energy of like minded people together to create a place where all ages and abilities can showcase their work, and be supported and encouraged. A.G.E.S also has been integral part of the Eastend Library, by bringing people in to the space! Numbers matter, and A.G.E.S events continue to be an important contribution which keep our Library open! A.G.E.S is going into it's 10th year! Lets create a celebration! Wednesday May 23 will be a gathering of creative minds! We will meet at the Eastend Library!

Exhibit your Artwork at the A.G.E.S Gallery

Would you like to have your artwork in the Eastend Library? A.G.E.S Gallery features all levels of art, from beginner to Professional. If you are starting out in your art career, having a public place to exhibit your art is important when applying for grants, one of the questions on a grant application is, "Have you exhibited your work in a gallery or public space?" 'CHECK IT OUT' Volume 4

Welcome to May!

Before we get to what's happening in May at the Library, let's review April! So grateful for the warmth of the sun and the sound of the birds. Spring has sprung! Events at the Library were well attended! Eastends **Barbara Klar** gifted us with her writing talents on April 28th. Six participants took advantage of writing techniques to help stretch their imaginations!

Eastend Homes once again got together for their pursuit on the history of the homes in town.

Acrylic print making facilitated by myself was great fun with those who attacked the foam plates to create lovely spring prints!

Due to illness, **Prairie Quills** writing group was not able to do a reading of their book 'Change is Not a Four Letter Word' on April 28th, but we look forward

to another opportunity for them to make it down to Eastend sometime this year! May will bring some **changes to the Library**. The Library Spaces Group will be at the Library on Tuesday May 22. If Anyone wants to help us get started with preparations we will meet at 7:30pm Our **documentary series** returns. Remember the power of Mount Saint Helens Volcano which erupted May 18 1980?? Do you remember being enveloped in Ash!? Check out 'Volcanoes and Extreme Landscapes' Thursday May 24th.

May this Spring breathe new life and wonder in you!
Trea Jensen
Editor and writer 'Check It Out'

Do you know, a **Library card is free** and gives you access to thousands of books, movies, archives, newspapers and beyond! Pop into the Library and get your card today!

Awareness of Space and Vibration

Mary Moncrieff and Murray Dineen writers in residence at the Wallace Stegner House spoke at the Eastend Library on Friday April 27th. Mary is a dance/movement therapist and spoke to us about using therapeutic dance to enhance people's lives. Murray is a professor in the Department of Music at the University of Ottawa and spoke about the soundscape of our environment and how it has changed through time.

New at the Library

Local writer, Wayne Ferguson, donated his book to our local library. **'The Adventures of Ana and Pitsi', Inuit Daughters of Canada's North** (2018). Youth and adults would enjoy reading this book.

Wayne has published over 200 short stories in various small town newspapers. He has also written several screenplays and scripts over the years.

Library Spaces

by Trea Jensen

Join us Tuesday May 22 at the Eastend Library! The Eastend Library Spaces Committee will gather to do some tidying up! Our mission is to get a sense of space, what is needed, and what is not! We will do a preliminary sweep, brainstorm, and recreate the space!

The committee envisions an open airy space. Seeing the library without all the shelves and books can sometimes be difficult! We are very lucky to have on our team, someone who is a computer wizard, bringing the space back to its bare walls! Now we can imagine all sorts of possibilities!

The next step will entail fundraising. Money needed for some of the demolition, cleanup, and purchase of new bookcases, maybe even a new desk for our Librarians!

The Eastend Library is moving forward with technology. Computers and Wi-Fi use have been available to the public for some years now. The committee would like to see a more cohesive space for technology. There is a new computer that is specifically for historical data: Eastend Enterprise, Homes of Eastend, and Stegner House Writers in Residence participants.

The Eastend Library is proud to house a large historical book collection of Eastend and smaller communities. The committee looks forward to creating a space to research local history and genealogy.

Eastend Enterprise circa 1971

Check out the Enterprise Computer

Highlights of Chinook Regional Library Committee Report Kay McCuaig Regional Rep April 14 2018

- Good news for our Library this year as funding will stay the same as in 2017, so there are adequate finances available.
- The Swift Current Library is celebrating their 100 year anniversary with a BBQ May 5th
- The Swift Current Library has a 3D printer, and 2 Hazelet students created a Robotic arm for the Provincial Science Fair. They won the competition and are heading to the National Science Fair! Our Libraries have so much potential to enhance our education!
- To Show appreciation and gratitude of four recently resigned executive board members, their names were inscribed in books and placed in their home Libraries by Chinook Regional.
- ‘The Complete Book of Smoking and Curing of Sausage Making’ will be at the Tompkins Library, as Lisa Lich is working for a butcher now!
- ‘Powered Love’ will be in the Swift Current Library for Peggy Drinkle, as she supports the grandmothers to end Aids in Africa.
- ‘Artisans Sour Dough Made Simple’ will be at the Morse Library, for Karen Bonesky of the RM of Lawtonia.
- ‘Colour Design by Karen’ will be at the Leader Library for Sheila Dietz.
- **The Branch Library of the Year** goes to Gravelbourg. The Library has relocated to a more central position in town and has no stairs to climb to make it more inclusive Their readership has increased greatly!
- **The Corner Library of the Year** award goes to Golden Prairie, Their membership is expanding as more children are attending the Library.

May Documentary - 'Volcanoes and Extreme Landscapes' (2015)

This month our documentary is 'Volcanoes and extreme landscapes'! Do you remember the devastating eruption of Mount Saint Helens? 38 years ago May 18 1980 the magma pool grew while steam built up, causing a north flank lateral blast, flattening over 600 square kilometres of trees, lakes homes, roads, bridges, wild life and human life. To put it in perspective, that is approximately 25km east of Eastend towards Shaunavon 24 km south towards Climax, west to 614 then back to Eastend (Eastend SK is 1525km North east from Mount Saint Helens)

Mount Saint Helens had a global effect as well. Volcanic ash was reported around the globe within two weeks. Since then Mount Saint Helens has erupted twice: March 1982 and again in 2004. Mt Saint Helens continues to be active to this day.

Most recently on April 17th of this year, Hawaii experienced earthquakes and a volcanic eruption. Lava is still flowing destroying nature and homes in its wake. A constant reminder of the cycles of Life!

We are fortunate to have access to many documentaries made available through the Chinook Regional Library.

Enjoy an informative and cozy evening while watching documentaries at the Eastend Library on a lovely large screen!

The weather is getting nicer so take a stroll down to your local library! You'll be glad you did!
